New Hope City Hall, 4401 Xylon Ave N

Here are some impacts of the census in 2020 for Minnesota:

- Minnesota is at risk of losing a seat in Congress
- Distribution of federal funds through funding formulas
- Business site selection when companies are deciding where to expand, where to bring jobs
- Civil rights enforcement through fair housing laws and other legislation
- Community planning, resources for transportation and education, overall health and safety, disaster response
